

The SRI&ETTC and LEGAL ONE at NJPSA-FEA are proud to present

ADDRESSING SUBSTANCE ABUSE: BEST PRACTICES AND EMERGING TRENDS
December 11, 2017

Participants will learn about the opioid epidemic and its impact on public schools as well as the work of the Governor's Task Force on Drug Abuse Control. Participants will receive information on best practices related to drug and alcohol abuse prevention, response, awareness, collaboration with law enforcement, discipline and counseling. Participants will hear from expert presenters from the New Jersey Prevention Network and the Association of Student Assistant Professionals

of New Jersey. Participants will receive information on the latest research and best practices being used in New Jersey school districts.

This workshop will be presented by David Nash, Esq., LEGAL ONE Director, FEA and Ms. Pamela Felder, Student Assistance Counselor and Ms. Donna Gaudio, Student Assistance Counselor .

Mr. Nash currently serves as Director of Legal Education for the Foundation for Educational Administration and as the Director for the LEGAL ONE program, an innovative program that provides school law professional development for school leaders and other educators.

Ms. Felder is Student Assistance Counselor and Anti-Bullying Specialist for Middletown School District. Ms. Gaudio is Student Assistance Counselor, 504 Coordinator and Recovery Coach for Williamstown High School.
