

## Our Mission

The SRI&ETTC provides professional development opportunities for preK-12 educators, technology coordinators, school administrators, and other professionals who offer support services to schools. The goal of the SRI&ETTC is to improve student academic achievement, organization effectiveness, and employee performance while providing superior customer service.

## Did you know?

The SRI&ETC is proud to be a part of the School of Education at Stockton University (the only ETTC in New Jersey to be part of a School of Education).

The SRI&ETC Consortium includes school districts and other regional organizations in Atlantic, Camden, Cumberland, Cape May, Ocean and Burlington counties.

The SRI&ETC is always looking to expand its consortium membership as well as available services to better meet the needs of PreK-12 school districts.

The SRI&ETC provides 600 workshops and events each year through its public calendar and custom programming.

Stockton University is New Jersey's Distinctive Public University!
