

HIB Training for Anti-Bullying Specialists, Anti-Bullying Coordinators, and School Safety Team Members

PRESENTED BY THE SRI&ETTC AT STOCKTON UNIVERSITY

New Jersey's Anti-Bullying Bill of Rights (ABR) has placed important new responsibilities on educators responsible for preventing and responding to harassment, intimidation, and bullying (HIB) in our schools. This

practical and interactive workshop will focus on statutory requirements and best practices for the ABS, ABC, and School Safety Team members, policy requirements, proper conduct of investigations, and the differences between interpersonal conflict and HIB. Participants will learn how to find resources for assessing and improving school climate as a prevention and intervention tool. Time will be available for sharing ideas, questions, challenges/successes encountered by ABS's, ABC's, and School Safety Team members in the implementation of the Anti-Bullying Bill of Rights. Participants are encouraged to bring copies of their HIB policies, procedures, forms, and resources to share with colleagues.

Audience: K-12 administrators, as well as ABS's, ABC's, and Safety Team Members

The workshop will be presented by John DiNicola. John DiNicola enjoyed a 35-year career in education. John began his career teaching high school English before becoming a district supervisor. John retired as Superintendent of the Margate Public Schools in 2018.
