

## SRI&ETTC

### Celebrating 20 Years of Service and Commitment to PreK-12 Educators

Housed in the School of Education at Stockton University, the Southern Regional Institute and Educational Technology Training Center (SRI&ETTC) is a voluntary consortium of 90+ school districts representing six counties in the southern region of New Jersey. Through these partnerships, the SRI&ETTC has been able to build a unique organization that can be responsive to the needs of individual school districts as well as the needs and demands of the changing landscape of preK-12 education.

As a full-service professional development provider, the depth and breadth of workshops offered by the SRI&ETTC continue to grow. Training is available in technology, core content areas, instructional practices, special education, ESL strategies, classroom management, school leadership and governance, intervention and referral services as well as a variety of other topics requested by school personnel in districts around the state.

More than 600 workshop titles can be offered on the public calendar or provided as customized programming for individual districts.

The SRI&ETTC also provides services to support the administrative needs of school districts including assistance with strategic planning, needs assessments, program evaluation, personnel searches, feasibility studies, and leadership training.

Access to the services and programs of the SRI&ETTC is **not limited to member districts**. Requests for custom programming as well as open calendar registrations generate participation from districts in every county of New Jersey.

Visit our website or call us today to discuss how the SRI&ETTC can help you meet your PreK-12 professional development needs!

**10 W. Jimmie Leeds Road  
Galloway, NJ 08205

on the Garden State Parkway**

## Wilson Reading Programs

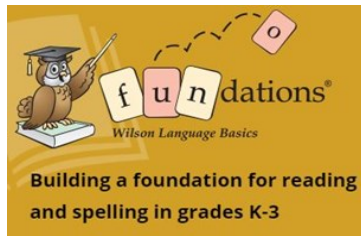

### SPRING 2019 Professional Development In Wilson Programs

**Southern Regional Institute  
and ETC  
School of Education  
Stockton University**

**Seating is Limited! Register Early!**

**Wilson Foundations** makes learning to read fun while laying the groundwork for life-long literacy. Students in grades K-3 receive a systematic program in critical foundational skills, emphasizing:

- Phonemic awareness
- Phonics/word study
- High frequency word study
- Reading fluency
- Vocabulary
- Comprehension strategies
- Handwriting
- Spelling

**Foundations** serves as a prevention program to help reduce reading and spelling failure. It is integral to a Multi-tiered System of Supports (MTSS) or Response to Intervention (RTI) framework, providing research-based instruction in Tier 1 as well as early intervention (Tier 2) for students at risk for reading difficulties.

### **DATES:**

Foundations (K) May 28, 2019

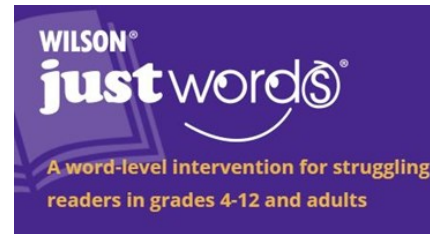

Foundations (1) May 15, 2019

Foundations (2) May 16, 2019

Foundations (3) May 17, 2019

**Times are 8:30 am-3:00 pm each day**

**COST:** \$202 per day/per person or 8 ETTC Hours. Each additional teacher from the same district registering for the same day would be \$178 or 7 ETTC Hours per person. **Multiple teacher discounts are only available to SRI&ETTC Member Districts.**

**Just Words**® is a highly explicit, multisensory decoding and spelling program for students in grades 4–12 and adults who have mild to moderate gaps in their decoding and spelling proficiency but do not require intensive intervention. The program is designed for students with below-average decoding and spelling scores and should be combined with other literature-rich programs.

Just Words aligns with a school or district's Multi-tiered System of Supports (MTSS) or Response to Intervention (RTI) framework of instruction by delivering a Tier 2 intervention addressing a sophisticated study of word structure with explicit teaching of "how English works" for both decoding and spelling automaticity. It is designed for students who can benefit from the targeted word study focus without requiring the more comprehensive intervention of the Wilson Reading System®.

### **Just Words – A Two Day Program**

**DATES: May 29 & 30, 8:30 am-3:00 pm each day**

**COST:** \$360 or 16 ETTC Hours per person. Each additional teacher from the same district registering for the same dates would be \$346 or 14 ETTC Hours per person. **Multiple teacher discounts are only available to SRI&ETTC Member Districts.**

## **WILSON READING PROGRAMS**

Wilson is a provider of research-based reading and spelling programs for all ages. Its multisensory, structured curricula – Foundations®, Wilson Just Words®, and the Wilson Reading System®, have been proven highly effective.

With Wilson, the path to meeting literacy objectives is all mapped out. The best way to achieve literacy success is to identify the individual student's needs and then implement the correct teaching strategy. Each model differs in practice, intensity, and duration, but all have been designed to help students master the appropriate level of literacy.

- All programs will be held at the SRI&ETTC on Jimmie Leeds Road in Galloway, NJ.  
**NOTE:** The building is located 3 miles east of Stockton's main campus.
- Lunch will be provided at each program.
- Although we encourage non-member districts to register for these programs, multiple teacher discounts are only available to SRI&ETTC Member Districts.

For information and registration, visit the website at [www.ettc.net](http://www.ettc.net)
