

BLANK CUBE

Use this cube pattern to create an interesting writing aid. Think of the many different areas of writing experiences this cube idea would enhance.

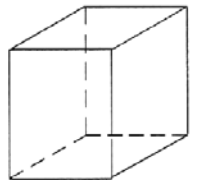

HOW TO USE THE CUBE

Increasing Vocabulary
Creating Similies and Metaphors
3-D Storyboard
Mapping out action
Create a proofreading mark guide

DIRECTIONS

Cut on dotted lines. Fold on solid lines. Carefully glue cube together. Do not overglue.

NOTE* This image can be enlarged using a photocopier. A larger cube would provide more room for writing information.
